

# HORTON COURT

## SOUTH GLOUCESTERSHIRE

7 Conservation, repair and comprehensive rejuvenation of a vernacular Cotswold manor house, with a 900 year history, to make suitable as a 21<sup>st</sup> century home.

The Norman Hall, Old Stables, Ambulatory and garden have been opened to the public.

9 The project uncovered the historic character and spaces, clarified the circulation, updated the services, and resolved problems caused by modern finishes to older fabric.
